Livingston County
Internet Survey

Livingston County is conducting a survey of its residents to determine Internet needs in the County. The goal is to gather data that will be useful in furthering Internet development in the County and shaping County policy to better serve its communities.

Please take a moment to fill out this brief survey. By completing this voluntary survey you agree to allow Livingston County to hold and process the information provided to produce statistical information in order to determine the feasibility of a municipal Internet service for it's residents. Your participation is greatly appreciated.

Please only provide one survey per address.

You may also take the survey online using the QR code above or visiting www.surveymonkey.com/r/LivingstonCountyInternetSurvey
