

Town of Groveland  
Planning Board  
Meeting September 28, 2009

Planning Board members present: Chairman, John Driscoll, Jim DeCamp and Randy Clymo, Roger Haigh and Daniel Rossborough, Alt.

Absent: Roxanne Adamson, Alt.

Also present: CEO Ron Maxwell, and Councilman Burt Lyon

Chairman John Driscoll opened the meeting at 7:00 PM and asked Daniel Rossborough to sit in as a member.

John handed out an email sent from the NYS DEC to Todd Ewell stating, among other things, that all the projects are considered part of an overall common plan of development and the total disturbance for all the projects will be over one acre and therefore a construction storm water permit and SWPPP will be required. John stated that the DEC sent a letter to the Mine requesting that they provide the Planning Board with the construction plan and the SWPPP. As of the date of this meeting he has not received any further information from the Mine.

Todd Ewell said that he sent a letter to the Chairman dated 9.10.09 and as far as he is concerned all the requirements in the County Planning Board's comments have been met except item #2. The DEC is not going to exempt them and the Board is now waiting for a response from American Rock Salt.

Regarding a previous project, John mentioned that the Town is still waiting for comments from the County Water & Sewer Authority regarding the two story office building project.
