

**Town of Groveland
Planning Board**

Meeting – October 27, 2014

Members Present: Seth Burnette, Chairman, Randy Clymo, Mitje Raschi, Roxanne Adamson, Kathy Gurak and Fred Ingalls. Absent: Dan Rossborough

Also present: CEO Ron Maxwell

Chairman opened the meeting at 7:35 PM.

Review and approval of the September meeting minutes: Motion by Fred Ingalls to approve the minutes as submitted, seconded by Randy Clymo. All in favor.

Update of ARS: A letter was sent to ARS in September asking what their course of action will be going forward since some of the permit application items requested by DEC have not been addressed. Chairman received a response from them on 10/3/2014 requesting that the permit application for the Pad D project be left open stating that they have chosen to move forward with the rail project in the Town of Geneseo and after they receive approval of that permit they will resume their efforts to pursue approval of the Pad D project.

Motion by Kathy Gurak to acknowledge receipt of their letter and let them know that the Board will keep their permit application open and discuss it at the March 2015 meeting, seconded by Fred Ingalls. All in favor.

Code Enforcement Report: Met with the attorney working on the Article 78 case filed by Scott Woodworth. Also following up on the 2 trailer installations on Wilson Road. The grading is the last thing left to be done and that should be completed in a week or two.

Motion by Fred Ingalls to adjourn the meeting at 8:25 PM, seconded by Kathy Gurak. All in favor.
